

Consumine Desire Masters The Secret Power of True Love appeals to new artists looking for practical ways to market music. The book serves as an insight into the challenges and social experiences artists encounter. Based on a true success story of organizing groups of youth; some performers, some not, this book of fictional characters offers an enjoyable fantasy experience.

A heartfelt story from Carlos' actual life experiences, *Consumine Desire* is on a quest to make her life her own great celebration. She keeps going and going and doesn't give up her dreams. Surrounded by family and the new found influence of Tony Dollars, her life begins to take shape in ways she never imagined were possible. It also offers an intriguing story of love and attraction.
